

MERCK

# BIG SCIENCE SMALL FOOTPRINT

Sustainable lab products,  
solutions & services  
for responsible science

#### Ensuring a sustainable future together

Our mission is to ensure a more sustainable future for everyone. With our growing portfolio of greener products, programs and services, we now offer even more ways for you to practice responsible science.

Our solutions combine enhanced sustainability with exceptional quality, so they are better for the planet, and for your work.

#### Your Opportunities

- Sustainable & less harmful alternatives
- Biodegradable & greener chemicals
- Sustainable packaging & distribution & disposal
- Reduced chemical consumption & waste
- Access to new products aligned with Design for sustainability (DfS) approach
